Welcome

Dr Muiyiwa Rotimi from Lagos University Teaching Hospital (LUTH), Nigeria to the Department.

He is here from Wednesday to Friday as a guest to the SMART Centre.

The Department would like to say congratulations to Dr Trisha Ramsamy and her husband on the birth of their baby girl.

THANK YOU & GOODBYE

On 31 January the Department bids farewell to Dr Christella Alphonsus, transferring to Cape Town, and Dr Yashana Hookamchand, starting private practice on the South Coast. Both have made great contributions to the department as clinicians and educators.

Christella has been one of the driving forces behind the Research Office based at IALCH. Output from the Office has been exemplary with the high-point being the data collection for the SASOS trial.

Yashana has expended considerable time and effort at local, provincial and national level on Pharmaceutical and Therapeutics committees to make sure we have the drugs we need to do our jobs.

We wish Christella and Yashana all the best in their new adventures.

Professor Ncoza Dlova has been seconded to the position of Dean and Head of School: Clinical Medicine effective from 1 January 2018 for a period of two years.
