PAIN INTERVENTIONS FOR PRESCRIBERS COURSE 4-5 AUGUST 2018 CAPE TOWN

(Module 3) Certificate in Pain Management

This course aims to provide prescribing health care professionals with the knowledge and skills to use an evidence-informed, mechanism-based approach for use in the management of people with pain. Using a combined didactic and workshop approach, the facilitators will present a mechanism based reasoning model for pain, the evidence for the pharmacological management of pain and conduct case-based workshops with participants to facilitate multi-modal pain management.

Date: 4 & 5 August 2018

Venue: Old Main Building, Groote Schuur Hospital, CT

Pricing: R2 350.00 PMPG Members

R2 650.00 All other healthcare professionals
