## FMM 2019 REQUESTS

As you may be aware, all requests for the FMM 2019 must be made via email to Londiwe ([cebekhuluL@ukzn.ac.za](mailto:cebekhuluL@ukzn.ac.za)) AND myself ([sailujan@yahoo.co.uk](mailto:sailujan@yahoo.co.uk)) between **5-19 October 2018**, after which no further requests will be granted. The onus is then upon individuals to arrange any desired swaps.

- Telephonic requests will **not** be accepted.
- NO requests will be taken outside of these times.
- Londiwe will acknowledge receipt of requests via email. If you have not received acknowledgement of your request, please contact Londiwe directly.
- Every attempt will be made to grant requests, however it is not guaranteed that all requests can be honored. Requests will be granted in the order in which they are received, on a first come, first serve basis.
- You will be required to submit 2 requests, one from the first half of the year and one in the second half of the year.
- Please do not request specific dates, but rather the month/s in which you are able to present your talk.

In addition, also indicate when you will be presenting your protocol - This can be done on 7 June 2019 or 22 November 2019. Alternatively a 15min slot can be allocated to you on another Friday.

### Please note:

- Those registrars whose time ends in June 2019, will be expected to present in the first half of 2019.
- In view of the shortage of registrars, those who have been in the pre-reg programme and now occupy registrar posts, may be required to present a FMM in their first year.
- Drs Singaram, Elhouni and Mohammad Mohammad are due to present their talks in the first quarter of 2019.

Please direct any queries to Dr Naidu ([sailujan@yahoo.co.uk](mailto:sailujan@yahoo.co.uk))
