CMSA SECOND SEMESTER 2021 WRITTEN EXAMINATIONS

The CMSA is concerned about the severity of the 3rd wave of COVID-19 infections and supports interventions to mitigate its impact. At the same time, we recognise how important our exams are to our candidates. Therefore, on the grounds that we are able to offer a safe, socially distanced exam and because health professionals have vaccinated, the CMSA will applying for a dispensation to continue with 2nd Semester 2021 written exams as per the published timetable. Expect further updates.

SASA - SMART SLEEP

SASA has launched an innovative, online source of high-quality, peer-reviewed anaesthesia and critical care material. The first set of lectures, aimed primarily at Registrars, covers topics such as *“The landscape of modern surgery across the globe”* and *“Renal failure in the perioperative setting”*. Listeners have access to high quality content by some of the country’s leading experts. New material is regularly being developed and the next group of lectures will focus on the Critical Care / ICU environment. Log in using your SASA username and password.

UKZN ICS NOTICE EMAIL CLIENT FOR MOBILE DEVICES

The proliferation of mobile devices and their use to access email has necessitated some level of standardization. It is therefore critical to ensure that the email application used works in tandem with email security features implemented by ICS on the email server side, now and in the future.

From the 2nd July 2021, only the Ms Outlook email app will be officially supported on all Mobile platforms (Android/Apple iOS). The Microsoft Outlook email app is available for free from the Google Play Store or Apple App Store. The process for installing this app is relatively straightforward.

Contact Expert Desk should you require assistance, [031] 2604000 or email ICS icssupport@ukzn.ac.za.
