MED SURVEY – DR S GANGEN

Please assist Dr S Gangen by completing this online survey which forms part of his MMed. The aim of his study is to determine the accuracy at which we estimate blood loss by assessing blood soaked theatre swabs.

The intended participants are anaesthetists and surgeons working in KwaZulu-Natal and they can be medical officers, registrars or specialists.

All data is de-identified so you will be anonymous and the survey should take less than 5 minutes.

Please click on the link below to start the survey.

REQUESTS FOR 2021 CPD CERTIFICATES AND HPCSA AUDITS

The UKZN Anaesthesiology discipline is the central CPD facilitator for many academic meetings hosted at hospitals and those run by the discipline itself. Please note, certificates will NOT be automatically printed for our entire database.

Rather, individuals will be required to send an email request.

The same would apply for HPCSA audits.

Email: anaesthesiology@ukzn.ac.za

CPD REGISTERS

Program co-ordinators and HCU's you are urged submit registers every month. With the new HPCSA rule they request CPD to be captured every month.
